KEY QUALITY ASSURANCES

- Directory of Quality Assured Alternative Education Provision for Cambridgeshire County Council and Norfolk County Council
- ASDAN Centre Registration
- Council for Learning Outside the Classroom (Cert number 105526)
- Awarded the Green Care Quality Mark with Social Farms & Gardens
- Licensed to conduct our work by the Licence Animal Activities Borough of Kings Lynn & West Norfolk, Environmental Health (Ref: 19/00215/AA_EXH)

As an Alternative Education Provider, assured to Stage 4 by Cambridgeshire County Council, our multi-disciplinary team bring teaching, youth work and play work together, harnessing the appeal of animals to engage, empower and educate primary and secondary and post-16 students.

Wisbech Community Farm are proud to have achieved the Council for Learning Outside the Classroom Quality Badge, a quality assurance scheme for providers of educational visits, covering the quality of learning, risk management including safeguarding and more. The CLOtC scheme is endorsed by the government and the Outdoor Education Advisers Panel, recommends that all schools look for it when booking learning outside the classroom providers.

The planning process for school staff can be made easier, knowing that they are accessing a quality venue for children and young people to visit and they can have confidence in the risk management and education provided, supporting learning objectives and enriching curricula.

Wisbech Community Farm has been awarded the Social Farms & Gardens Green Care Quality Mark; a site-specific quality assurance for green care providers. This annual accreditation vouches that Wisbech Community Farm runs a safe, responsible organisation and looks after the people, environment and animals in our care.

OUR OFFER

Location: Wisbech Community Farm, S-Bend, Lynn Road Wisbech PE14 7AP

Example core aims and expected outcomes include:

- Self-awareness. To reflect on strengths and weaknesses of selves and others
- Negotiation. To help develop social communication skills
- Emotional resilience. To help develop resilience across a range of settings.
- Decision-making. To increase responsibility and care for others and themselves.
- Confidence and self-esteem. To support students in their views of self & ability.

The following activities being the mechanisms in which to achieve the above;

- Working with the animals; caring for others - recognition and awareness of emotions and communication of them; reading, writing, mathematics; speaking and listening to adult-led instruction; exploration of career pathways.
- Green-woodworking - creating something to be proud of; managing frustration; following instruction; reading, writing, mathematics.
- Gardening - sensory-based activity for regulation; planning, preparation; growing and nurturing; caring for others
- Bushcraft and outdoor cooking; healthy eating; caring for others; problem solving; giving and following instruction (verbal and written)

Building portfolios with ASDAN Short Course Awards:

- Activities & Peer Mentoring
- Animal Care
- Land-based Vocational Taster
- Construction
- Enterprise

Post-16 Functional Skills Attainment:

For learners who need a practical, skills-based approach. Building confidence and self-belief, our learners are able to apply Mathematics and English in real-life scenarios and so operate effectively in further education, employment and everyday life. Delivery from Entry Level 3 to Level 2. VTCT.

One-on-one therapeutic intervention sessions:

Can be offered for those who require additional support to enter our group-based educational offers.

For further information about our service level agreements, costs, tailored packages or for a referral form, please just get in touch.

*For more information contact the team on 07541 402354 or
www.peopleandanimals.org.uk*

A diverse range of animal and land-based therapeutic interventions, activities, education and skills development opportunities are offered, for children and young people.
